**Carne Asada** ..... \$5.75

The perfect Carne Asada! We start with USDA choice flap steak (this is the true cut for Carne Asada) that is hand trimmed and butterflied. We carefully season the meat with our own spice blend then grill to a perfect medium.

**Carnitas** ..... \$4.75

Traditional Carnitas... Prepared without lard, but with all the flavor, our carnitas are oh so tender and juicy.

**Pollo** ..... \$4.75

Authentic braised and shredded chicken. We use only chicken breast that's slowly braised with root vegetables and herbs.

**Beef** ..... \$4.75

Made using USDA Beef that is slowly braised in a rich consommé then shredded and cooked a second time with root vegetables, and aromatic herbs.

**Chile Verde** ..... \$4.75

Pork in a rich green chile sauce.

**Machaca** ..... \$4.75

USDA Choice beef simply braised and salted before adding to any egg dish for an added punch of flavor.
